A TOTAL of 29 kick boxing and tae kwon do students were awarded their black belts at The Martial Arts and Fitness Centre in Maindee, Newport, at the weekend.

Students as young as ten received the accolades for demonstrating competence in a variety of different skills tests.

Kick boxers were tested on pad work, sparring, self defence techniques, stick work, fitness and combinations. For tae kwon do students were examined for ability in patterns, free sparring, self-defence, board breaking and Korean terminology.

All the black belts awarded were entered on the NAKMAS, National Black Belt register which currently has over 60,000 members.

Gary Gassor who runs the Martial Arts Centre on Chepstow Road, Maindee said: "We are very pleased with each of the students for achieving their black belts which takes a lot of hard work, dedication and determination."

"I am very overwhelmed and delighted to award twenty nine of our students with their black belts which they have worked so hard for."
